COLLEGE SHOWS INTEREST ABOUT LACROSSE PLANS

Students Desire to Know More About Lacrosse in Connection with Its Establishment at Hamilton

GAME IS LIKE SOCCER

Twelve Men on a Team—Sport not as Rough as Generally Supposed

Because of the article in last week's **Life** concerning the possibility of establishing lacrosse at Hamilton, there have been several requests from students for a short summary of the game. Lacrosse is probably the least known of intercollegiate sports because its great development has come only within the last few years.

Lacrosse is a game that involves certain elements of football, hockey, and, principally, soccer. There are 12 men on a team, who occupy the following positions: goal, cover point, point, first defense, second defense, third defense, inside halfback, outside halfback, first attack, second attack, third attack, and center. The first eight men form the defense, while the burden of the attack rests upon the last four men. The ball is put into play in the middle of the field by the opposing centers, as in ice hockey. The aim of the game is to put the ball between the posts of the opposing team's goal. The goal is somewhat similar to that used in ice hockey.

Details of Game

The game is played continuously, like soccer, and the length of the half is about 35 minutes, although shorter periods may be played upon an agreement between the opposing teams. The lacrosse field is about 125 yards in length, and may be of any width. The game can be played on almost any kind of a field, and in any kind of weather. The lacrosse ball is a small, hard rubber ball, about the size of a tennis ball, but of softer texture than a hockey puck. The lacrosse stick is a curved piece of hickory, loosely strung with heavy leather thongs so as to make possible the carrying of the ball with the stick. The equipment further consists of a light head-guard, a track suit, heavy gloves such as used in hockey, and a special style of shoe with large rubber cleats.

The player may not touch the lacrosse ball with his hand, but he may carry it in his stick until it is knocked out by an opposing player. There is also a great deal of body checking involved in the game. In spite of the general belief that lacrosse is the roughest game played by colleges, the fact remains that the danger hazard is no greater than in several other intercollegiate sports, such as football and ice hockey.

TENNIS TEAM TO PLAY UNION AND SYRACUSE

The pair of tennis matches scheduled for this week will keep Prettyman's racquet-wielders busy according to all information which has been received concerning the opposing teams. Syracuse will appear on the Hill Wednesday afternoon while the Hamilton-Union match on Saturday is one of the three contests arranged for the benefit of the sub-freshmen visiting here on Saturday.

Syracuse, fresh from a four-game Southern trip, will bring one of the best teams in the history of the institution to Hamilton. Syracuse won from Hamilton easily last year by a 6 to 1 score. Their Southern trip resulted in three victories and one defeat, the University of Pennsylvania being the only combination able to defeat the Syracusans. Wins were registered over Lafayette, Lehigh, and Drexel. Captain Fitzgerald is the star of the Syracuse team.

Union is another of the teams which took the measure of the Buff and Blue last season, winning in a match at Schenectady by a 5-1 margin. The Garnet boasts a strong aggregation this year, winning in easy style from St Stephens in the opening encounter of the season. Ottman has been playing brilliantly for the down-staters this year and is being well supported by Fisher, Davenport, and McKay.

Prettyman plans to use his regular six-man team in both of these contests.

The Charlatans have changed their original plan of giving three one-act plays on Sub-Freshman day, and will present "Outward Bound" instead.

FENCERS PERFORM AT CORTLAND

The foils and epee teams accompanied by Coach Gelas went to Cortland, N. Y., on April 26. to give a fencing exhibition. Mr. Carl Scovel, a Hamilton alumnus, and father of Frederick Scovel, '25, made the arrangements for the exhibition. Coach Gelas explained the sport to a very interested audience. The coach and the members of the team then gave some examples of the many different lunges and parries which the skilled fencer employs.

ATTRACTIVE PROGRAM FOR SUB-FRESHMAN DAY

Includes College Dinner, Musical Club Concert, and Charlatans Plays

Final arrangements for Sub-Freshman Day, to be held this year on May 9, are now completed, according to an announcement of Foster H. Williams, '25, chairman of the Sub-Freshman Day committee. An attractive program for the weekend has been arranged, and the committee believes that its plans will result in the most successful day the college has ever given subfreshmen. "Fos" Williams has two other seniors on his committee, Wilfred T. Packer and Kenneth E. Vought, assisted by Field Secretary Wallace B. Johnson.

Entertainment for the visitors will begin on Friday evening when the undergraduates and their guests will meet in Commons for the annual college dinner and meeting which follows. The Buff and Blue orchestra will furnish music. On the speakers' list the faculty will be represented by Pres. Ferry and Prof. Chase, the alumni by Paul B. Williams, '08, and the undergraduates by John B. Hatch, '25, and Alan D. Lehmann, '25. As is customary at this time, letters for the winter sports will be awarded.

On Saturday classes will be adjourned at 10:30. In place of the annual Sub-Freshman Day speaking contest, which has been discontinued after 25 years, the musical clubs will present a concert in Commons at 11 o'clock. The afternoon will be given over to three athletic contests with Union—a baseball game, a track meet, and a tennis match. The program for the evening includes the appearance of the Charlatans in the gymnasium with "Outward Bound." According to the last report of the Interfraternity Council, 68 prospective Hamiltonians will be on the Hill for the weekend. As in past years the sub-freshmen will be entertained at the fraternity houses.

N. Y. U. AND UNION NINES VISIT HILL THIS WEEK

When the New York University nine comes to the Hill to play Hamilton tomorrow, it will be wearing the scalps of City College, Lafayette, West Virginia, and Fordham.

Dominick Torpe and Bob Corbin, star hurlers for the Violet, are in excellent form. It is probable that Dwyer will pitch for N. Y. U. in the Hamilton game as Coach McCarthy wants to save Torpe for their battle with the West Point nine on Saturday.

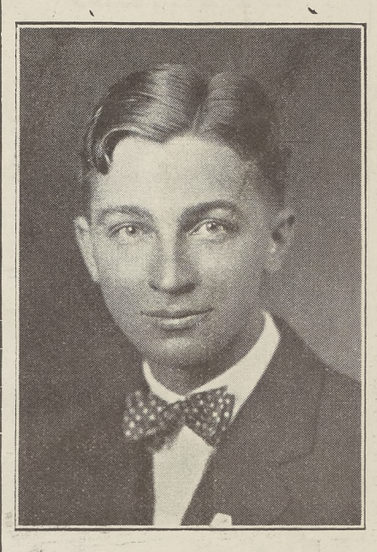
The Violet appears to have struck its real stride and the defeats it has already administered to its opponents may be taken as an indication that Coach McCarthy's men have at last attained the form which carried them to the top flight in Eastern Intercollegiate ranks last season.

Union will come to Clinton this Saturday with a strong nine. Although the Garnet suffered defeat at the hands of Syracuse last week, they are rounding into form and are to be regarded as stiff opponents. The Union team has had several hard work-outs, and appears to be taking as little chance as possible of dropping a game to the Buff and Blue.

SINGLES TOURNAMENT

Manager Rathbun requests that the first round matches in the singles tournament be played off in the next three days. In the matches played to date, Telles has defeated Walter, 6-4, 6-1, Fanning d. Watters, 6-1, 6-2; Bauer d. Hiler, 6-2, 6-3; and Ingalls beat Steel in the hardest match of the tournament so far, by scores of 6-4, 3-6, 6-3. Of the survivors, Church, Meritt, Soper, Bebee, Thompson, Ingalls, Bauer, and Fanning are all conceded good chances to win the tourney.

RETIRING EDITOR AND BUSINESS MANAGER OF LIFE



ALAN D. LEHMANN, '25
Editor

HERBERT D. MERITT, '25
Business Manager

Chase Elected Editor of Life; Paine Managing Editor. Hutchens Heads Gaboon. Davis Editor Hamiltonian

Gilbert E. Ferris, '27, Elected Business Manager of Life—New Editor of 1927 Hamiltonian Picks Assistants—Higgins and Bannerman, Freshmen, Win Places on Life Board.

At a meeting of the **Hamilton Life** board last Tuesday evening at the Alpha Delta Phi Hall, John W. Chase, '26, was elected editor-in-chief of **Life** for next year. The nomination was made by Alan D. Lehmann, retiring editor-in-chief, on the basis of a careful scrutiny of the work of those competing for the editorship by the Senior members of the board, and with consideration to the opinions expressed by President Ferry, the officials of the Courier Press, Inc., and Paul Williams, editor of the Utica Press, regarding the work of the competitors.

Besides being a member of the **Life** board, the Royal Gaboon board, and the Press Board, "Jack" is editor-in-chief of the 1926 Hamiltonian. He was secretary and treasurer of his class his Sophomore year. He is captain of the tennis team this year. He is a member of the D. T. Club, Pi Delta Epsilon, and Sigma Phi fraternity. His election as editor-in-chief comes as a well-deserved honor after the culmination of three years' work on the staff.

Paine Managing Editor

David Paine, '26, of Syracuse, was elected to fill the newly-created office of managing editor. The managing editor takes the place of the former associate editor, and will be an active assistant to the editor-in-chief. "Dave" is the assistant manager of the Charlatans, a member of the 1926 Hamiltonian board, and treasurer of

Verne I. Montgomery, '26, assistant business manager this past year, was formally elected business manager for 1925-26. He is a member of his class. He is a member of Chi Psi. Chi Psi.

Gilbert E. Ferris, '27, of Utica, was elected assistant business manager. "Gil" is a member of Alpha Delta Phi.

Two new reporters were taken on the **Life** staff from the freshman class as the result of the competition this year. The new members are Edgar F. Higgins, Jr., of New York, a member of Psi Upsilon; and William T. Bannerman, Jr., of Washington, D. C., a member of Lambda Chi Alpha.

Hutchens Editor of Gaboon

John K. Hutchens, '26, will be editor of next year's Royal Gaboon as a result of the annual Gaboon elections held last Wednesday morning. He will succeed John R. Hatch, '25, as editor-in-chief. Hutchens has been in Hamilton publications for some time, being a member of both the Gaboon and Hamiltonian boards. He was a McKinney Prize speaker last year and is a member of the D. A. M. Club, D. T. Club, and of Sigma Phi.

Other elections were those making Harold C. Bohn, '26 business manager and Mark F. Esch, '26, art editor. Warren Dayton, '27, was appointed advertising editor of the Gaboon several weeks ago following the completion of the sophomore competition.

The next issue of the Royal Gaboon will be the annual Spring Party issue and will appear on the Friday of house party. It marks the final work of the present staff and is said to be an unusually good one. The cover design made by Strong, '27, is one of the features of the issue. There are several other constributions by new men which add to the attractiveness of the publication.

The newly elected editors will commence their work with the Commencement issue of the Gaboon. The other members of the staff will be chosen at an election which will take place in the near future.

Davis Chief of Hamiltonian

Carleton H. Davis, '27, was elected editor-in-chief of the 1927 Hamiltonian at a meeting of the 1926 Hamiltonian Board Thursday evening at Sigma Phi Place. His election was confirmed by a vote of the Sophomore class Friday morning.

'Carl," as he is popularly called, hails from Buffalo where he attended Lafayette High School. While at Lafayette he was a member of the board of the Lafayette "Oracle," the student publication. Davis' election is a result of a competition for the editorship which has been carried on by Pi Delta Epsilon among the members of the Sophomore class. Henry W. Swartwout, '27, of Clinton, was elected business manager of the Hamiltonian. He is a member of Alpha Delta Phi. Michael C. Virkler, '27, was elected photographer. He is a member of Lambda Chi Alpha. Frederick S. Marquardt will be the circulation manager of the 1927 Hamiltonian.

The members of the board as appointed by the editor-in-chief are: Allen, Brink, Britten, Crocker, Fradenburgh, Hoyt, Mulligan, Robinson, Sanborne, and Sayres. The art editor will be chosen as the result of a competition conducted by Editor Davis. Each man who wishes to try out for this position will submit a specimen of his work to the editor by May 10.

—Orsemus D. Bitely, '25, was married on April 5th to Miss Elizabeth C. Staples, daughter of Mr. and Mrs. J. P. Staples of Binghamton, N. Y. The ceremony was performed by Dr. Phillips at the famous Little Church Around the Corner in New York City. Frank C. Nichols, '26, was the best man.

—The reading committee of the faculty, consisting of President Ferry, and Professors Squires, Ibbotson, Super and Lewis, has been making good progress on the Clark Prize Orations, and expects to have a meeting either today or tomorrow to decide some final matters. Their report will be submitted for approval at the Faculty meeting of May 4.

FAXTON HOSPITAL BENEFIT

The Trustees of Faxton Hospital have made arrangements with the Avon Theater management to receive half the receipts of all tickets which they can sell for the performances of Marion Davies in "Janice Meredith" May 25-30. As Faxton Hospital receives nothing from tickets sold at the box office, it is important that those who wish to help the Hospital, buy their tickets through the trustees. The price is 40 cents, the same as at the box office, and tickets are for sale by Mrs. Alfred Ethridge, at the foot of College Hill, and at Hogan's Store.

HARDING, '25, PRIZE SPEAKER

Harold F. Harding, '25, has recently been designated as one of the six men to take part in the finals for the New York State Zone of the national oratorical contest conducted by the Better American Federation of California. Harding will speak at the MacMillan Academic Theater at Broadway and 166th St., New York, on the evening of May 14. Harding's paper was on "Alexander Hamilton and the Constitution."

MIDDLEBURY IS VICTOR IN CLOSE TRACK MEET

Hamilton Loses by 3 1-3 Points—Wins First Place in Nine Events

Although it won nine firsts out of 15 events, Hamilton's track team was unable to place enough men in the seconds and thirds to beat Middlebury in the opening meet of the season here last Saturday. Both teams fought evenly and were never separated by more than half a dozen points during the whole meet. Going into the final event on the program, the javelin throw, the Buff and Blue team needed first and second in order to win. Brockway came through with the first place but Cass, Middlebury athlete, spoiled Hamilton's chances when he hurled the javelin 139 feet, 6 inches, giving the visitors second place and the meet. The final score was 69 1-3 to 66 2-3, with the Vermont outfit on the long end.

As was predicted before the meet, Hamilton showed a decided superiority on the cinders but was unable to place consistently in the weight events. The winners walked off with all three places in the hammer, first and second in the discus, and second and third in the shotput.

Newell Holley with three firsts was the individual star of the meet. Holey boosted the Hamilton total 15 points by taking the honors in the low hurdles, pole vault, and broad jump. Cass with a pair of firsts and a second shone for the visiting squad.

The two-mile event proved to be the feature race of the card. It soon developed into a dual combat between Snyder of Hamilton and Robinson of Middlebury. Lap after lap these two fought on with scarcely a yard between them. At the beginning of the seventh lap Snyder forged into the lead only to lose it a little later. On the final stretch Snyder opened up with a burst of speed that carried him to the tape well ahead of his rival. It was a brilliant race, one that had the crowd on its feet most of the time.

Weather conditions were far from perfect with a slightly heavy track and a chill wind. Good time was made in the dashes, however, with 10 1-5 in the hundred; 21 9-10 in the two-twenty.

Lineup and summary:

One mile run: Dodd M, Scovel H, Stoughton, M. Time 4:49 2-5.

Two mile run: Snyder H, Robinson M, Dodd M. Time 10:26 1-5.

Half mile run: Donold M, Thomas H, Arnold M. Time 2:05 3-5.

(Continued on page 4)

TRACK TEAM PREPARING FOR MEET WITH UNION

With but a few days left before the Union meet on Steuben Field, Hamilton's track team has been working early and late to get into shape for the Saturday affair. Considerable emphasis is being laid on the field events, particularly those weight events in which Hamilton was so weak last Saturday, and it is hoped that a much better showing will be made against Union in these events.

Union has always been well represented on the track and field and this year seems to be no exception to the rule. The Schenectady outfit had no trouble in winning from Rochester last week by a 105 2-3 to 30 1-3 score. The records show that the Union combination is a well-rounded one and fairly strong in all departments.

Besides the weight men, the high jumpers and dash men are expected to show considerable improvement by the time their call comes for the Union meet. None of the jumpers were able to clear five feet last week. LeFever was the only sprinter to place for Hamilton in the 100 or 220. If these two departments as well as the weights can be improved by Saturday Union will have to fight hard to capture the meet.

PAUL WHITEMAN TALKS ON RADIO, WALES, AND FOOD

Noted "Jazz King" Has to Pay Eleven Hundred Dollars on His Pictures After Radio Concert

LIKES PRINCE OF WALES

Says He Can Get Food at Fraternity Houses but No Sleep

Before his Wednesday evening concert in Utica, Paul Whiteman, the "King of Jazz", spent the afternoon on the Hill at Dean Saunders' home. A group of students, some curious, many awed, all interested, formed a circle around him while he—what could be more natural?—leaned upon the piano. From time to time he produced a cigarette, for which a number of matches were immediately and simultaneously lighted.

"What do you think of our campus?" asked some brave soul.

"I haven't seen much of it yet."

"Oh, you must walk around."

"Well," said Mr. Whiteman, with a glance at his chubby hands, "I may go around, but I bet I don't **walk**!"

The conversation lulled for a moment. Then someone mentioned the Prince of Wales. "Well," was the retort, "I know him well enough to say hello. The last time I was over there, he requested me to play at a party he gave. He's a wonderful little chap—very democratic—but you can never forget he is a prince."

Complains of Food at Fraternities

Once more the talk returned to the Hill. "The only thing I ever get to eat at fraternity houses is roast beef and mashed potatoes. Is that all you ever have?" asked the musician. "There is one complaint I have to make about fraternities," he resumed jocularly, "I am always asked to stay for meals, but it is never suggested that I spend the night there. If only I were invited over night, I wouldn't have any expenses at all!"

His conversation deflected to music, Mr. Whiteman assumed a more serious mien. "When people come to hear our concerts," he observed, "they seem to expect some good old discordant jazz. Consequently, we have to render some selections where we howl enough to make it interesting. We can then proceed to show them that dance music isn't all blatant."

Mr. Whiteman then discussed the radio. One of his grievances is that the last time he broadcast, he promised to send pictures to his audience. He was soon deluged with mail, and the result was that it finally cost him eleven hundred dollars for pictures!

At this point, someone mentioned that it was 5:30, and the jovial, corpulent charmer of dancers, par excellence, beat a hasty retreat for Utica.

SPEAKERS ANNOUNCED FOR MC KINNEY STABS

Announcement has just been made of the appointments to "Prize Stabs" for the McKinney Prize Declamation contest. The Junior trials will be held on Tuesday, May 12, at 10:30. The Sopohmores will appear on Tuesday, May 12, at 11:30; the Freshman stabs will take place on Wedensday, May 13, at 11:30. The final contest, Prize Stage, will be held on June 12 at 4 p. m.

The list of appointees follows: Juniors: Anthony, Chase, deLalla, H. N. Holley, F. Nichols, D. Payne, Rathbun, Selch, Schiro, Skinner, Vogel, A. Williams. Sophomores: J. Allen, Belden, Bookhout, Brown, Burns, Dold, N. H. Hoyt, King, Mulligan, Olmsted, Wakerly, Whitbeck, Wilcox. Freshmen: Beardsley, Berkowitz, Corby, Estelow, Gilbert, Heyl, Jenkins, Lee, MacLean, Pitcher, Roberts, Strong. Book prizes are offered to the two men in each of the classes who are judged winners.

TENNIS TOURNAMENT

The first matches of the Interfraternity Tennis Tournament will be Chi Alphas. On Friday, May 8, the Sigdate the Theta Delts will play the Dekes and the Alpha Delts will play the Chi Betes. On Thursday, May 7, the Psi U's will play the Emersonians and the Chi Psi's will play the Lambda Xi Sigmas. The winner of the Psi U-E. L. S. match plays the Lambda Chi Alphas. On Friday, May 8th, Sigma Phi-D. U. match will take place.

—R. S. Bennett, '06, spent the weekend of the 25th on the Hill.

Inaugural.

With this issue of **Life** the new staff selected from the Class of 1926 assumes the control of the paper. It is with mingled feelings of enthusiasm and trepidation that the new board takes the responsibility of guiding **Life** through the 28th year of its existence.

If one looks back over the events that have occurred at Hamilton during the last five or ten years, he will be struck at once by the extremely fast evolution that is taking place on the Hill; an evolution that affects the interior as well as the exterior conditions of the College. A few of the salient features on the exterior side that might be mentioned are the doubling of the enrollment; the new buildings, including the Russell Sage hockey rink and the science building; and the greater size of the faculty. But the interior development of the College is even more striking. Whether or not we like to admit it, the traditions of Hamilton College are falling quickly. We who are upperclassmen and remember the reverent awe in which we held these old customs, marvel at the calmness with which the incoming classes now reason out everything before entering into a row. The care shown in clothes; the constant use of taxis—all these little things remind us that the "old order changeth."

Changes in "Life"

And so with our college publications; it is necessary for us to keep up with this fast-stepping age. For a good many years **Life** has been conducted under a rather loose and haphazard system. A gradual change in this old system has been taking place during the past few years. It is the purpose of the new **Life** management to carry on this evolution. The first step in this direction has been made by the establishing of the position of "Managing Editor," who will function in an active capacity, unlike the Associate Editors of other years. An attempt will be made to have the **Life** staff work in closer harmony so as to avoid the penalties of an over centralized direction. Other changes in the make-up of the paper will speak for themselves when they are inaugurated.

The policy of **Life** for the next year will follow closely that which has been so successfully carried on during the past year. An attempt will be made to keep a fair balance on news between the students, on one hand, and the alumni subscribers, on the other. Movements that are progressive toward the real improvement or benefit of the College will be whole-heartedly supported.

A year from now we shall be singing our swan song. We shall then know if we have been able to convert our ideals into practical achievements.

Paul Whiteman and Jazz.

"Did they accuse Nero of playing jazz when he fiddled as Rome burnt?" asked Paul Whiteman of the enthusiastic audience that jammed a Utica theater last week to hear his concert orchestra present "An Entertainment in American Music." Paul Whiteman has revolutionized modern dance music, as we have all been told many times. But the extraordinary feature of this development is that it seems to be affecting modern music generally in all countries where Whiteman has taken his talented group. After receiving all its musical impetus heretofore from Europe, the United States is now fostering a musical genre which seems destined to exert great influence abroad. It was Whiteman's idea to prepare special scores for his orchestra in accordance with the best musical traditions. The success of Gershwin's "Rhapsody in Blue," as played by the Whiteman orchestra, leads one to believe that the possibilities of this American music may be unlimited.

Yet one remembers most vividly from the concert the popular "jazz" numbers that were played—and the three gray-haired matrons in the next row who were swept into such fits of ecstacy by the conclusion of "O, Katharina," that one almost wondered if he were attending a negro revival meeting.

—Definite plans for the proposed postoffice sub-station on College Hill have not been given out, according to Bursar E. M. Coughlin, who states that there have been no developments since the last issue of **Life**. The Clinton postoffice officials refused to give any information.

MICHELS IS ELECTED CAPTAIN OF FENCING

On the evening of April 27th, the Hamilton fencing team and advanced members of the squad were invited to Coach Prettyman's home for the elections for next year. Dr. Ferry, Dr. Thomas, Prof. Patton, and Coaches Gelas, Carroll, and McBride were also present. Shortly after eight o'clock the members of the team withdrew and elected Harold J. Michels, '26, to the captaincy for the year of 1925-26. Michels has done excellent work with the sabre during the past two year. He is a member of Alpha Delta Phi, manager of football, member of Was Los, and is on the track team. After the election, ex-Capt. Packer read a paper to the captain-elect and members of the squad. He mentioned the fact that the Hamilton swordsmen have never been defeated in a home meet and desired that the high standards and traditions of the squad be maintained. He congratulated Michels on his work in athletics and wished him success with next year's team. The suggestion was made that there be an alumni fencing meet here some time next year, since the graduating members of this year's team are so interested in the team's development. After the business of the meeting was over refreshments were served.

HERR! HERR!

Dear Carpe:

Jack Howe, secretary of **Die Deutsche Versammlung**, allowed us to take a squint at the minutes for the meeting of said Versammlung held on April 24 at the home of Herr Dr. Hauch (literal translation, "Wind"; "Tornado would be more exact). The dope:

"Herr Perrine opened the meeting with an address in German. Very moving speech; no one could sit still until he had ended. Herr Dr. Hauch requested that in the future English be the only language used in the Versammlung.

"In accordance with the purpose and ideals of the Versammlung, Herr Perrine read a paper on 'English As She Is Spoke.' His words will never be forgotten. In closing, he said, 'It's awful the way us guys speak English."

"During the refreshments, Herr Stanley and Herr Daymont engaged in a fist fight because Herr Stanley grabbed the last piece of cake when Herr Daymont wasn't looking. Herr Fahrenholz, acting as referee post morten, declared Herr Daymont won by a technical k. o. because he smashed four pieces of cake which Herr Stanley had in his coat pocket."

"Sat., April 25: Herr Dr. Hauch forgot to attend class this morning. Herr Turnbull made a motion that Herr Dr. Hauch be presented with a vote of thanks. Motion carried unanimously. Herr Phil Scott moved that the class adjourn. Motion carried, after much discussion, by a bare two-thirds vote."

Dazedly yours,
COUNT DE KARDTS.

APRIL

Carolyn C. Havner, Tufts College

I ran up on a hill-top
The steel blue air was cool,
And there I frightened April
Crying in a pool.

Her hands were wet with melting snow
Her torn skirts stained with mud,
But at the feet of April
Sang a hawthorn bud.

She threw fat rain-drops in my face,
And laughed to see me fly.
Then like the woman April is
Finished out her cry.

Lucerne

Ho for the land of Cheese, Chocolate, and yodels! We went alping first thing this morning among the foothills to get in condition for the Olympic's Yodeling contest day after tomorrow. Imagine representing our country in such a famous international tilt!

I put the finishing touches on a new *crescendo-profundo* yodel with which we hope to carry the field. Jack is acting as my all-round manager, rubber, and trainer and I have to give him credit in spite of our spat over Kitty.

This is a beautiful country, old feline, but you can't help but notice how the advertisers have slipped up on a wonderful opportunity to cover the mountainsides.

Yours in Mu Mu,
FELIX

And he has lived to see it

Back in 1885, Thomas A. Edison succeeded in transmitting electricity at 220 volts for one mile —an achievement and a promise.

The promise was fulfilled a few months ago, when electricity at 220,000 volts was transmitted two hundred and forty miles to supply Los Angeles with light and power.

Now five billion dollars are invested in electric power plants. A stupendous figure that testifies to the alertness of thousands of college-trained men who have been leaders in the production and use of electric power.

The electrical era has only dawned. Each year some new machine or discovery makes it possible to apply electricity in unexpected ways. The graduate of today will find electricity directly or indirectly a means for even greater accomplishments, no matter what his calling in life may be.

In 1881 Edison shipped to the Paris Exposition his "Jumbo" dynamo—eighth wonder of the world. It could light 1000 lamps. Now there are G-E generators large enough to supply current for over a million lamps, each with four times the candle-power of the lamp of 1881.
The General Electric Company produces other electrical apparatus which makes it possible to transmit power over great distances. It has put electricity in seven-league boots. In its laboratories, scientists are now experimenting with voltages ten times as great as the highest now in use.

If you are interested in learning more about what electricity is doing, write for Reprint No. AR391 containing a complete set of these advertisements.

CHARLATANS TO GIVE ONE-ACT PLAYS SATURDAY

Will Present Two Short Skits and Two Serious Plays in Gymnasium at 8 p. m.

ENTERTAIN SUB-FRESHMEN

Program Will Include Barrie's Play "Twelve-Pound Look

As part of the Sub-Freshman Day program the Charlatans will give four one-act plays next Saturday at 8 p. m. in the gymnasium. There will be two short, humorous skits, and two longer plays of a more serious nature.

The first play to be presented will be "Spring," by Colin Clements. This skit takes place on a park bench on a night in spring, and enacts on the stage what will likely be enacted in reality the following week-end. There are three characters. Robson, '26, takes the part of the Cop, that of the Gob is played by Sayres, '27, and Snyder, '25, takes the part of the Skirt, the other occupant of the bench.

The second play is "The Twelve-Pound Look," one of the best known of Barrie's compositions. It is a play of English life. Goodwin, '27, takes the part of Sir Harry, and Roberts, '25, will act the part of Lady Sims. The part of Kate, the typist, is taken by Snyder, '25, and Donnelly, '28, takes the part of Tombes.

Humorous Skit

The third play is a skit in front of the curtain, entitled, "The Impertinence of the Creature." It is probably the most humorous, and was written by Cosmo Gordon-Lennox. There are two characters, a Man and a Woman. The part of the man is taken by Robson, '26, and that of the woman by Draper, '28.

The last play, and the one on which the Charlatans have been putting the most work, is "Joe," by Jane Dransfield. It is a one-act tragedy and takes place in a secluded mountain valley, perhaps the foothills of the Catskills. Roberts, '25, is Mrs. Mason, Draper, '28, is Mrs. Tern, Anthony, '26, is Ed Tern, Donnelly, '28, is the Doctor, and Sayres, '27, takes the part of the Doctor's assistant. Snyder, '25, acts the part of Lou Cosgrove, and Goodwin, '27, that of Lou's son, Joe, the title role.

Those from Clinton and vicinity who may care to attend this performance, are cordially invited, as well as those on the Hill.

HONOR SYSTEM RULES AMENDED BY COLLEGE

By the action of the student body, the rules of the Honor Court were changed after chapel last Tuesday to enable the Honor Court to act in cases of fraud in the public speaking and English Literature departments of the college as well as in composition courses. The amended articles read as follows:

Article Six

Sec. 1. Student discipline in the courses in English Composition, Public Speaking, and English Literature, is that phase of the Honor System under which every student shall be on his honor to abstain from fraud in written work submitted in the above-mentioned courses.

Sec. 2. Fraud in the above-mentioned courses shall consist in the incorporation of another person's work in any written exercise without enclosing the words in quotation marks.

Sec. 3. Each student must, in order to make valid any written exercise in English Composition, Public Speaking, and English Literature, sign the following statement: "I have not incorporated another person's work in this theme (declamation, oration) without inclosing the words in quotation marks.

Sec. 4. In case of reported fraud in such an exercise, the Committee shall operate as in the case of reported fraud in examinations as explined in article 4, section 1.

Sec. 5. The penalty for fraud in such an exercise shall be determined under the following regulations: (the penalty incurred no change).

McKINNEY PRIZE DEBATE

In the account of the McKinney Prize Debate given in the last issue of **Life**, there are several changes to be made. On the list of the debaters chosen, the name of John Pasquale Gualtieri should have appeared instead of Richard Steel's. The nine men with the highest marks in the senior debate class were asked if they would accept an appointment for the McKinney Debate, if offered it. Of those nine men, three, Harding, Kaiser, and Lehmann, replied in the negative. The judge of the side that wins the debate will be the audience. The vote will be taken by ballot.

—J. Edwin Doyle, ex-'24, visited the Hill last week.

Palmy Days
Tobacco is Setting
New Records

The biggest "smoke hit" in years. This is the verdict of thousands of smokers all over New York State. "Never before such taste and flavor," says the man who knows. And you too will find smoke satisfaction in Palmy Days because it is just golden-brown, sun-ripened burley—picked at its best—air cured in Nature's way—aged for two years and then—made into as fine a smoke as you ever tasted by men who know just what is needed to bring good burley tobacco to the height of pipe perfection.

ROCHESTER BEATS BASEBALL TEAM BY 11-0 SCORE

Buff and Blue Plays Loosely in Opening Contest—Martin and Donohue Are Wild

KING MAKES TRIPLE

McConnell, Rochester Twirler, Holds Hamilton to Six Hits

In the first baseball game of the season, Hamilton lost to the University of Rochester nine, last Saturday, by a score of 13-0. Ed Martin started on the mound for the Buff and Blue and was hit hard from the first by the Yellow. Up to the time when he was replaced, in the sixth frame, by Walt Donohue, Martin allowed six hits, six men crossing the plate. Donohue hurled the last four innings and gave out five hits. Martin passed two men and struck out one in the first and one in the fourth. Donohue let three men go by.

Two runs in the first inning and one in the second gave the Rochester nine a good start and the Yellow batters kept their lead throughout the game.

King Makes Triple

A triple by King in the third helped out the Buff and Blue, but the next men up were put out, the inning ending before King could come home.

Hatch and Warren each connected for two safe hits, being the most consistent Hamilton hitters. Although the succeeding batters were able to do little, McConnell, the Rochester twirler, needed all his skill to get out of one or two holes. He showed splendid control, passing only one man.

Loose fielding on the part of McBride's men was, in the main, responsible for the heavy score piled against them. The Yellow added three runs in the fourth, two in the sixth, three in the seventh, and two in the eighth.

Titus, Lauterbach and Barns did the heavy hitting for Rochester, each getting two safe blows. The feature of the game for Hamilton was King's triple in the third.

The score:

HAMILTON	A.B.	R.	H.	P.O.	A.	E.
King, ss	4	0	1	0	2	3
MocLean, 2b	4	0	0	2	1	0
Payne, rf	4	0	1	2	0	0
Morris, cf	4	0	1	1	0	0

Rochester 2 1 0 3 0 2 3 2—13
Rochester 2 1 0 3 0 2 3 1 x—13

Three base hits: King. Sacrifices: McConnell, Morris, Costello. Base on balls: off Martin 2, Donohue 3, McConnell 6, Webster 1. Struck out, by McConnell 6, Martin 2. Left on bases, Hamilton 6, Rochester 5. Umpire, Fisher.

SPRING FOOTBALL ENDS SOON; SOCCER CONTINUES

Spring football practice, which began on April 13, is to continue until May 8, Coach Carroll states. About 30 men have reported, many of whom have never played before. Time has been spent largely in the fundamentals of the game. During the four days in which Coach Carroll was away at the Penn Relays, Professor Thomas was in charge and taught the men several new tactics. So far, no remarkably good prospects have been discovered.

Most of the veteran soccer players are out for other sports. Forshay, Doty, Nichols, and Ireland are the only members of last fall's squad who are out. Under their supervision are about 20 men. Practice will continue until the end of the term. "It is hoped," Coach Gelas declares, "that some of the new men may develop into varsity material for the fall season."
